This section of the *Journal* lists working papers, technical reports and monographs published by real estate centers, university real estate departments and other research organizations. If you wish to obtain a copy of a paper, please place your orders directly with the publishing organization. Ordering information is provided in the listing of universities represented. Pricing information is indicated in parentheses. If your organization is not represented in this listing and you would like it to be, please forward a current list of publications, along with information on ordering papers, to Jack Harris.
